Building on its experience and expertise, particularly in organizing luxury travel, Premium Conciergerie has gained access to the prestigious Virtuoso network. This is a true boon for the clients of Jérémy Vosse and his team, who will be treated like royalty in the world's most luxurious destinations. They now have access to a wide range of resources, including an exclusive selection of services, upgrades, and access to exceptional products and experiences. Thanks to its excellent reputation and expertise in the luxury sector, Premium Conciergerie joins the exclusive circle of Virtuoso travel agencies in France and becomes the first concierge service to be a Virtuoso member in the country.

Virtuoso is the world's leading network of luxury travel agencies. Accessible by invitation only, Virtuoso maintains privileged relationships with more than 1,800 leading hotels and resorts, cruise lines, airlines, tour operators and destinations.
